Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Smith Road Stormwater Project in FY 2023:

The entity to receive funding for this project is the Northeast Ohio Regional Sewer District, located at 3900 Euclid Avenue, Cleveland, Ohio 44115.

The funding would be utilized for the design, permitting, and construction of a regional detention basin to control intercommunity flooding. The project would be a valuable use of taxpayer funds because the implementation of the Smith Road detention basin will provide for intercommunity flood relief from Abram Creek which impacts Smith and Sheldon Roads.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Anthony Gonzalez  
Member of Congress
